Hi Ann,

Unfortunately, Tuesdays are the day of the week most full in my schedule. I have four meeting that occur weekly on Tuesdays so I won't be able to attend the BECT meeting. I'm sorry to miss it.

Greetings all, looks like the best date for the next BECT meeting is going to be December 2, from 1-5:00 pm. Will any of you be available for that meeting? We will be focusing on water quality. Thanks, Ann

All, the federal and state lead agencies for the BDCP EIR/EIS are planning the next BECT meeting. The two dates we are proposing are **Tuesday December 2, from 1:00 pm -5:00 pm or Friday December 5, from 12:30 pm to 4:30 pm.** We suggest a half day workshop to discuss 1) the proposed scope of the supplemental/recirculated BDCP, DEIR/EIS and Implementing Agreement and 2) Water Quality issues. Our goal is to discuss issues of concern to the BECT agencies as well as potential resolutions to be included in the supplemental/recirculated documents. We hope to have several additional meetings to address different topics at each one. Please let me know your availability for the dates for the first in this series of workshops by Monday November 17. Thanks, Ann
